Gandhi Can..] in Rajasthan and tht am ount of money required to complete the cntiie canaJ and water courses and channels;

(b) whether the irrigation potential Qf 1.25 lakh hectares created so far is lying waste;

(c) if so, what are ttie reasons there for; and

(d) by when the canal project is like ly to be completed?

THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SHRIMATl KRISHNA SAHI) and (d) Stage-I of the Indira Gandhi Nahar Project has been completed and an expenditure of Rs. 250.19 crores has been incurred till March, I98K on canal woorks The main canal of of the project has also been completed. The work on the distribution system of Stage-II is in p:og-ess, the completion of whicii will spill over to Ninth plan on account of constraint of resources. The requirement of funds bevond March 1989 to com-plctc th: badance work onb the project in-cludinc the l'ted *w.'iev* courses has been «stirpan,i jt. Rs 1444 crores considering th_e escalation i_n cost up to the end of Eighth P'an.

(b) Asainst a_n irrication potenti d c-eated in Stage-I upto March 1988 of 5.70 lakh ha., the utilisation was 5.28 lakh ha. The potential created in Stage-II Up to March 1988 was 99,000 ha. and utilisation 7000 ha.

t.e) The work On colonisation is Stage-II area is yet to pick up as the conditions in this area are more harsh and development of infrastructure like roads, drinking water supply etc. has to precede colonisation activities. Due to attention is being paid by the State Government to this aspect.
